

# The H1N1 Influenza Vaccine is now available

These H1N1 vaccination clinics are for those who fit the CDC's 'high risk' groups. **These include:** Pregnant women • Children and young adults between the ages of 6 months and 24 years • People who care for infants less than 6 months old • Healthcare and EMS personnel • People between the ages of 25 through 64 years, who have chronic health disorders or compromised immune systems\*\*

## Schedule an appointment online for ANY of these locations!

Visit [www.greatersomerset1n1.org](http://www.greatersomerset1n1.org) or call the Greater Somerset 'H1N1 Shotline' at 908-533-9330. All clinics are free and open to those in the above groups.

**Additional dates will be added as vaccine is received; Appointments strongly recommended; Dates are tentative, and based on vaccine availability;** All clinic times are 4:00 pm - 7:00 pm, unless otherwise noted. Please wear short sleeves!
